October 16, 2018

Dear Valued Customer:

Rogers Corporation is committed to providing products, which are safe with respect to the environment and human health. In this regard, Rogers Corporation takes note of the numerous governmental and local regulations, which restrict or prohibit the use of certain substances in amounts above specified thresholds.

In response to your request, Rogers Corporation has reviewed all DSP products and determined the presence of the chemicals in the State of California's Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) List dated July 1, 2016. See below.

<u>Product line</u>	<u>Chemicals</u>
Rogers DSP ¹ :	None

It is the end user's responsibility to determine whether consumer products containing Rogers' products are subject to California Proposition 65 labeling requirements.

Regards,

Rogers Corporation

1 The information provided in this declaration form(s) is based solely on Safety Data Sheet (SDS) information provided by our raw material suppliers. Rogers Corporation makes no representation that it has verified the accuracy of the SDS information upon which this declaration is based. Rogers Corporation accepts no responsibility for incomplete or inaccurate SDS information, or for incomplete or inaccurate information contained in this declaration. Rogers Corporation accepts no duty to notify users about changes to the provided information. Rogers Corporation is not liable for any damages, direct or indirect, consequential or otherwise, that the Reader or any third party might incur as a result of any incompleteness or inaccuracy of the information contained in this declaration form, or as a result of ignoring this warning.
